- Liam Allan – Open-Source Tools for RPG/ILE Development

FUN, FUN, FUN!!! - Spend a day with your LISUG colleagues learning some new skills and catching up with them. There will be raffles and other surprises to make this a memorable experience.

Speaker Biographies

Alex Roytman is an innovator in the field of legacy application modernization, with a concentration on creating rich browser interfaces for IBM i (iSeries/AS400) systems. His company, Profound Logic Software, provides a GUI platform for ILE RPG developers on IBM i. Alex and his team have worked closely with IBM to provide a native GUI offering for IBM i systems.

Liam Allan is a young developer on IBM i. He's been working with the IBM i platform since 2014 and has a passion for ILE languages - but he loves to dabble in anything ILE & PASE. His goal is to bring IBM i and the world of open-source closer together.

Ted Holt is a Senior Software Developer with Profound Logic Software, a provider of modernization solutions for the IBM i world. He has worked within the information technology industry since 1981, primarily with IBM midrange computers. His industry experience includes the fields of manufacturing, healthcare, education, retail, and wholesale. He holds a master's degree in computer science from the University of Southern Mississippi and has taught in community colleges, universities, and vocational/technical schools. Ted is the author of several books on programming topics and is a regular speaker for the RPG and DB2 Summit. He also serves as a technical editor and writer for itjungle.com.

Panel Discussion – Security Update 2017

		
Steve Wolk	Pete Massiello	Randy Farnbach
P.C. Richard & Son	iTech Solutions	mindSHIFT Technologies

Vendor Expo – The Vendor Expo will be open during registration and breaks. Vendors will provide information and product demonstrations of importance to LISUG members.

Event Journal – The Journal is your guide to the event's activities and yearlong reference for the sponsors and vendor expo participants that support this event.

Information Table – Sponsors distribute collateral materials (brochures, CD/DVD's and vendor logoed items) at the Sponsor Information Table.
