Speaker Biographies

Brendan Kay - Brendan has over 30 years of experience with midrange, mainframe, cloud and desktop computing. Since starting in 1985 as a mainframe computer operator, he has worked exclusively in business computing. Brendan co-founded looksoftware in 1996. He helped build looksoftware from zero revenue to sustained and significant success and was closely involved in technical direction, business development, sales, marketing and governance. In 2014, looksoftware was acquired by Fresche Solutions and Brendan was appointed an executive VP focusing on business and technical strategy before becoming the company's first CTO in 2016.

Pete Massiello - Pete Massiello has been working with the AS/400, iSeries, and IBM i since 1989, focusing on systems management and technical support. He is the President of iTech Solutions Group, an IBM Premier Business Partner delivering solutions and services to IBM i shops throughout the world. He is a member of IBM's certification test-writing team, an IBM Certified Systems Expert with certifications in IBM i design, administration, LPAR, virtualization, implementation, and HMC management. He was President of COMMON from 2010 to 2012, and again in 2014. He is a COMMON Hall of Fame speaker and a frequent speaker at user groups all over the world. In 2011, IBM established the Champions award for Power Systems, and Pete was one of the first recipients. In 2018, Pete was recognized as the first Lifetime IBM Power Systems Champion.
